

Liberty Coin | A hyper coin of gold.

Liberty Coin | The ultimate brand builder.

Liberty Coin | The ultimate tool of influence.

Influencer | 10,000 Coin Award

Liberty Coin takes the best of limited-edition NFTs, stable coins, and rare gold coins to create a **gold-backed hyper coin**.

Liberty Coin is a re-brandable super coin you can customize with your face, brand or any other design you chose.

You receive full ownership to NFT coins and physical gold coins that you can resell one of two ways:

1. Custom-branded with your face, brand, or design.
2. Unbranded as generic Liberty Coins.

You can immediately sell your unbranded 10,000 NFT and solid gold Liberty Coins and make a quick **\$2,000,000 to \$3,000,000.**

You can hold your unbranded 10,000 NFT and solid gold Liberty Coins through delivery and make **\$15,000,000 to \$20,000,000**.

Or you can custom-brand your 10,000 NFT and solid gold coins and potentially **make 10-times more.**

Influencer | Coin Award

Liberty Coin is offering influencers an award of 10,000 rebrandable NFT coins and 10,000 rebrandable solid gold coins for \$300/pair, **100% financed at no cost.**

Your NFT and physical gold coin sales proceeds pay the \$300 fee, meaning you never use your cash e.g., **zero investment.**

Pricing | Unbranded & Branded Coin

- Unbranded NFT coins are currently listed on opensea.io for 0.1711 ETH or approximately \$700 ea.
- Unbranded gold coins are sold on libertycoingold.com for \$700 ea.
- Sample mega-influencer custom-branded NFT coins are currently listed on opensea.io for 5.0 ETH or approximately \$20,000 ea.

Financing | Resales

Your 10,000 NFT & 10,000 gold coins are financed 100% at no fee or cost, **meaning zero cash or commitment is required on your part.**

- You can take ownership to 10,000 NFT & 10,000 gold coins, do nothing, and have them all automatically returned to the Liberty Coin Network, **no strings attached, no questions asked.**
- Alternatively, you can sell your unbranded NFT & gold coins to your followers and make a quick \$2,000,000 to \$3,000,000 - **its all up to you.**

Financing | Schedule

Your 10,000 NFT coins and 10,000 solid gold coins are financed at no cost based on the following schedule:

- \$300/coin due for 2,500 NFT/gold coin pairs after 30-days.
- \$300/coin due for 2,500 NFT/gold coin pairs after 60-days.
- \$300/coin due for 2,500 NFT/gold coin pairs after 90-days.
- \$300/coin due for 2,500 NFT/gold coin pairs after 120-days.

Unbranded Coin | Profit Potential

- You receive 10,000 unbranded NFT/gold coin pairs at \$300/pair.
- Your unbranded NFT coins are currently listed for \$700/ea., yielding a \$400/coin potential profit or \$4,000,000.
- Your unbranded physical gold coins have a delivery value of \$17,000,000, yielding a \$14,000,000 profit.*

** Assumes you paid \$300/coin pair for 10,000-coin pairs (\$3,000,000) and a gold spot price of \$1,700/oz. at physical coin delivery.*

Unbranded Coin | Resale Examples

Resale Example 1: If 2,500 or 25% of your unbranded NFT coins were resold within 30-days for \$500/coin (\$200 less than the \$700 price on opensea.io), you could make \$200/coin or \$500,000.

Resale Example 2: If you resold all 10,000 of your unbranded NFT coins over 120-days at \$500/coin, you could make \$2,000,000.

Summary | 10,000 Coin Award

- Your \$3,000,000 of coin holdings are financed at zero cost.
- You have full ownership of your NFT and solid gold coins until the financing comes due.
- Any coins for which the \$300 financing has not been paid are automatically returned – **no questions asked, no strings attached.**
- All you need do is complete the [Influencer Signup & Award Forms](#) and 10,000 NFT and 10,000 solid gold Liberty Coins will be placed in your account ready for you to custom-brand and create instant value with a single post to your followers.
- Once you have sold your initial 10,000 NFTs and 10,000 gold coins, you can keep on selling reload after 10,000 coin reload.

Custom-Branded | NFT Coins

- You hold 100% ownership of your NFT coins from Day 1.
- As coin owner you can custom-brand each of your NFT coins as you deem fit.
- We will customize one or all your NFT coins for free. Simply send us your designs and a proof will be ready within 5-days for your approval.
- You can create a vast range of custom-branded full-run, limited-edition, and one-off NFT coins that can be immediately promoted, sold, auctioned, traded, and collected.
- You can sell all your NFT coins, or you can hold some back and capture the potential gains as they appreciate over time.

Custom-Branded | NFT Coins

- NFT custom design and listing, auction and sale on opensea.io, are performed turnkey for Award Recipient by the Liberty Coin Network.
- Award Recipient's custom-branded NFTs are held in a dedicated NFT collection on opensea.io titled with their name/primary brand.
- For example, a mega-influencer's NFT Coin Collection might contain 4 different limited-edition coins, where each edition is limited to 2,500 coins (e.g. #1 of 2,500, #2 of 2,500, #3 of 2,500, etc.).
- Follow this link to see a dedicated sample NFT collection containing two unbranded and two custom-branded NFT listings on opensea.io
[Sample NFT Collection.](#)

Custom-Branded | Solid Gold Coins

- You hold 100% ownership of your solid gold coins from Day 1.
- Your 1 oz. physical gold coins are delivered in 24-months and are backed 10 to 1 with proven gold reserves.
- Custom full-run, limited-edition, and one-off 3D printed gold coins can be minted as exact duplicates of your custom-branded NFTs.
- Placing your face/brand on physical gold coins can only increase your influence and prices followers pay for your gold coins.
- Custom-branded limited-edition solid gold coins that can trade for 10 to 100-fold premiums over their intrinsic value (e.g., 1 oz. of gold).
- Years from now your custom-branded one-off or limited-edition 3D printed solid gold coins could sell for \$20,000, even \$100,000.

Influencer | Five Coin Scenarios

1. You can sit on your coins, lose them all, and simply walk away.
2. You can sell unbranded coin and make \$2,000,000 with no investment.
3. You can payoff the financing, keep your unbranded coin and make \$14,000,000.
4. You can custom-brand your coin and potentially make 10-times more.
5. You can keep selling coin, reload after 10,000 coin reload.

For five millennia, there has been no better way to ensure one's legacy than **leaving your mark on gold coins.**

There is no limit to the value and influence
you can create with **your own NFT coins.**

Limited-edition NTF coins that **go viral with your followers.**

How much is a limited-edition NFT coin **emblazoned with your face** worth to your most impassioned and devoted followers?

Especially, when the coin of gold your followers collect is **one of the world's safest & most profitable investments.**

Your ultimate brand builder.

Your ultimate tool of influence.

Unleash your coin.

Secure your legacy.

Complete the [Influencer Signup & Award Forms](#) and claim your 10,000 NFT & 10,000 gold coin award.
